PAINIE FIELD

Snohomish County Airport

March 2008

County Executive Aaron Reardon
aaron.reardon@snoco.org

Airport Director Dave Waggoner
dave.waggoner@snoco.org
(425) 388-5100

Proposed ARFF Station

The Airport is nearing completion of the design process for the new Fire Station shown here. It will be located near gate S-9 close to the current location of the B-52. Construction is planned to begin this summer with the opening in 2009.

Aviation Academy Success Story

Below is an email that Kevin Kelley received from Adam Boardley, a former Aviation Academy student (Shown in the photo to the right) "I attended Aviation Academy back in 1999 when I was in high school and wanted to drop you a line to keep you updated on my progress. Having come up through the regional airline ranks, I am now working for Continental Airlines as a First Officer on the 767-400 based out of Newark, NJ. I often think back to when I was first getting started and taking the Aviation Academy 3-leg cross country around the Puget Sound area. Its a great opportunity you offer and really helped solidify my desire to become a pilot.

My career may never allow me to live in the Seattle area, but I appreciate the program the WPA offered to get me on the right path!
Thank you, Adam Boardley"

Adam Boardley

Aviation Academy April 21-May 17

The Aviation Academy program is sponsored by the Paine Field Chapter of the Washington State Pilots Association (WPA) and the Snohomish County Airport. It strives to connect young adults with an introductory knowledge of what it takes to become a pilot, mechanic, air traffic controller, or any other aviation-related career. The Academy is geared towards students ages 13-18. Eight classroom sessions, two field trips, and a graduation ceremony and flight make for great opportunities to learn about a wide variety of topics!

- May 17 **General Aviation Day**

2008 March for Hunger Food Drive

The County, Airport and the Volunteers of America (VOA) are working together to collect non-perishable food and cash donations to help feed the hungry in our region. In the past nine years, over 2 million pounds of food were donated to local food banks that serve almost 500,000 hungry Snohomish County residents annually. In 2007, we received \$775 in cash donations and 450 pounds of food.

We need your help again this year! The Airport is seeking help from our staff, tenants and the local community to donate food and/or make charitable contributions to the VOA.

- Make a CHECK DONATION made payable to the VOA and send the check to the Airport c/o Susan Kern, and/or
- Call Susan Kern at (425) 388-5103 to have a barrel delivered to YOUR location, and/or
- BRING food donations to the Airport Office. Barrels are located in Admin, and Maintenance

**PLEASE HELP SUPPORT
YOUR LOCAL COMMUNITY!

Airside Exercises

Airport Fire Captain Rueter is running Incident Command for Hangar Fire Exercise.

The Paine Field Fire Department hosted Airside Exercises 2/25-2/28 at the East Condos. Snohomish County Fire District #1, Boeing Fire Department, and Mukilteo Fire Department participated in the drills, as well as Paine Field Operations and the Snohomish County Sheriff's Office. The 30-45 minute drills were designed to familiarize our Mutual Aid Fire Departments with the Airport, improve communications between agencies, and to network with each other. If anyone has any questions regarding the drills, please contact either

Tony Mace or Tyson Severe at the
Paine Field Fire Department (425) 353-1606.

There will be an Easter event March 22 at the Future of Flight. It will include great prizes, an egg-type hunt, helicopters and fun for the whole family. The cost is \$4 for adults and \$2 for kids. This price does not include the Boeing Tour.
