## 2009 March for Hunger Food Drive

The County, Airport and the Volunteers of America (VOA) are working together to collect non-perishable food to help feed the hungry in our region

In 2008, eight million pounds of supplemental food were donated to 20 local food banks that served 82,000 unduplicated Snohomish County Citizens.

In 2007, the Airport received 450 pounds of food from staff, tenants and concerned citizens. In 2008, we received 540 pounds of food.

In the next month, the Food Bank will have almost 15,000 people in need of food with 50% being children and 20% being seniors. This is an increase of 35% to last year. Unfortunately, food donations are down 67% year to date over last year.

We are accepting donations from our staff, tenants and the local community to donate to the March for Hunger Food Drive.

Call Susan Kern at (425) 388-5103 if you would like a barrel delivered to YOUR location, and/or bring donations to the Airport Office. Barrels are located in the Airport Office and in Maintenance.
