December 2006

You are Cordially Invited
Paine Field Holiday Open House
Tuesday, December 12 from 4:00 - 6:00 p.m.

Future of Flight

8415 Paine Field Blvd.

RSVP at 425-388-5101

Unwrapped toys accepted for the Holiday toy collection drive

Flying Heritage Collection

The Flying Heritage Collection will be moving to Paine Field in 2007. They have leased Hangar 207 (barrel roofed hangar that was used by the Army Reserve Helicopter Squadron). Upgrades to the hangar will be made over the first portion of 2007. The Flying Heritage Collection will be open to the public beginning in late summer 2007.

TOYS FOR TOTS

The Washington Pilots Association is collecting toys for the Marines Toys for Tots drive. Please drop off any new, unwrapped toys at the Airport Office or Fliteline before Dec. 16.

Snow in November???

SNOHOMISH COUNTY GIVING TREE PROGRAM

The Airport has volunteered to support the Snohomish County Giving Tree 2006 Campaign by donating toys and gift cards for children of all ages! This is a community based volunteer program that supports abused and neglected children that are put into foster homes.

Many of the children that are put into foster homes take nothing with them except the clothes on their backs when they are taken from their original homes. If they had toys, electronic equipment, bicycles, games etc. of their own, they are often left behind. These are very needy children in need of some holiday cheer!

The Giving Tree Program collects gift cards, unwrapped new gifts or stocking stuffers from donations that will provide cheer to children during the Christmas, Hanukkah, and other Holiday celebrations. Last year, the program supported about 275 foster children in our local community. The volunteer program at the Denny Youth Center is thrilled to receive funds, toys and other items that can be passed on to these children in December.

Please bring any donations directly to the Admin office. Questions? Call Susan Kern at (425) 388-5103.
