Corporate Ownership: In addition to the FAA and WSDOT Aircraft Registration, Lessee must provide a copy of the current insurance document and legal documentation demonstrating Lessee's affiliation with stated corporation.

2. AIRPORT RULES AND ACCESS –

- A. Lessee shall abide by the all applicable laws, ordinances, codes, rules and regulations, including but not limited to the Airport's Rules and Regulations and Minimum Standards, Paine Field Hangar Use Policy, Snohomish County Code, Revised Code of Washington (RCW), Federal Statutes, Federal Aviation Regulations, Uniform Fire Code, and Uniform Building Code.
- B. Hazardous activities such as, but not limited to: smoking, welding, use of spark producing devices, painting, doping, open fuel lines, or the application of hazardous substances are expressly prohibited. Lessee shall abide by all environmental laws regarding the handling, discharge, release or dumping of hazardous materials.
- C. Lessee shall keep the aircraft storage space clean and free of grease, oil, paper, and other debris. All flammables must be stored in a metal container with a tight fitting lid with sump capability at a minimum, or any other Airport approved containment device. As different from flammables, combustible liquids such as lube oil may be stored (See Airport Rules and Regulations.) No additional Label is necessary if company label already indicates flammable liquid or type liquid contained. Flammable storage, including gasoline and petroleum based products (other than inside the aircraft fuel storage tank) is limited to a maximum of ten (10) gallons in each hangar unit. The premises covered by this Agreement shall not be used for the storage of explosive substances or items. Lessee shall keep and maintain the hangar in neat, clean, and safe condition at all times as the same now is, and shall surrender the premises in a neat, clean, and safe condition, with all systems and doors servicing

the Leased Premises in good working order and in like condition as when taken, reasonable wear and tear excepted as determined by Lessor, at Lessee's sole cost and expense, and will deliver all keys and security cards for the Leased Premises to Lessor at the place then fixed for the payment of Rent.

- D. Tenants must complete airport approved training and be issued a Self-Fueler card before fueling or defueling their aircraft. This only applies to tenants wanting to self-fuel and is not applicable for use of the self-serve fuel pumps.
- E. Only locks provided by the Airport may be used on Hangar doors. Lessee shall provide a deposit for the lock(s), core(s), and key(s), shall not have duplicate keys made by anyone other than the Airport, and shall return all lock(s), core(s), and key(s) upon terminating tenancy. Any security deposits on the Hangar will not be returned until all lock(s), core(s), and key(s) are returned.
- F. Lessee agrees to obtain a gate access card by completing the Airport Operations Area Security Training Program. Gate cards are non-transferable. An Authorized Users form must be submitted by the primary tenant to grant unescorted access and to obtain their own gate cards. All persons listed on the Authorized Users form must be able to pass the TSA Security Threat Assessment during the badging process. Upon vacating hangar or termination of rental agreement, lessee and all Authorized Users shall return security badges immediately to the Airport. Failure to do so will result in a lost badge fee.
- G. Lessee agrees to provide an adequate oil "drip pan" to be placed under the aircraft engine when not in operation. Any damage caused by excessive oil deposits and all cleaning charges incurred shall be the sole responsibility of the Lessee.
- H. In the event the Premises are not returned to Lessor in the condition required in this Agreement, Lessor may enter the Premises and restore and repair the Premises to the original condition and configuration as when taken at Lessee's sole cost and without prior notice to the Lessee. Lessee shall pay all costs associated with restoring and/or repairing the premises immediately upon demand from Lessor, and said costs shall be withheld from any security deposit held. Said cost shall include a fifteen percent (15%) administrative fee. Lessor shall not be required to give prior written notice or have said costs to repair, restore or reconfigure the Premises approved by Lessee prior to performing said work. If the repair work is extensive in nature, Lessee shall be deemed to be a holdover Lessee until such time the Premises have been repaired and/or restored to the condition required by this Agreement. At Lessor's option, Lessor may, within ten (10) days of retaking possession, give the Lessee a written list of Lessee's failure, if any, to clean up or repair the premises, to which Lessee must repair, restore premises at Lessee's cost within thirty (30) days of such notice. During such time, Lessee shall be deemed to be a holdover Lessee until such time the Premises has been repaired and/or restored to the condition required by this Agreement. If the Lessee has not done so thirty (30) days after delivery of the written list, the County may clean up or repair the defects noted in the list, with its own personnel or independent subcontractors, charging the cost of the same to the Lessee. Any cost charged, including lost rent, shall be immediately due and payable by the Lessee. Said cost shall include a fifteen percent (15%) administrative fee. Further, during this time, Lessee shall be deemed to be a holdover Lessee until such further time the Leased Premises has been repaired and/or restored to the condition required by this Lease.
- I. Subordination To Airport Operation. This Agreement shall be subordinate to the provisions of any existing or future agreement between the County and the United States relative to the operation or maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the expenditure of Federal funds for the development of the airport.

3. TERM –

This Agreement shall be deemed a "month to month" tenancy and may be terminated by either party upon giving thirty (30) days written notice, prior to the end of any such rental period.

4. RENT –

- B. Security Deposit. Lessee shall pay a security deposit to the Airport equal to one month's rent plus leasehold excise tax as security for the faithful performance of each and every term, covenant, and condition hereof, including but not limited to payment of rent. County may apply or retain the whole or any part of such security for payment of any rent or other charge in default or for any other sum which County may spend or be required to spend, including but not limited to maintenance and repairs of premises pursuant to Lease, or be entitled to by reason of Lessee's default, If all or part of this deposit is so used, Lessee shall immediately restore such deposit and such additional amount to secure the lease as deemed necessary by County. Should Lessee faithfully and fully comply with all the terms, covenants, and conditions of this lease, the security or any balance thereof shall be returned to Lessee or,

at the option of the County, to the last assignee of Lessee's interest at the expiration of the term hereof. Lessee shall not be entitled to any interest on such security deposit.

- C. The non-payment of rent shall be grounds for termination of this Agreement.
- D. Late payment of rent. Late payment of rent. If payment is received after the 5th day of any month, there will be a .0333% per day interest charge, or \$35.00 per month, whichever is greater, on the unpaid balance for each day past the due date. A late payment charge of .01665% per day will also be charged on rent not paid by the 5th of each month for each day past the due date. In addition, a charge in the amount provided by current County ordinance will be made on any payment by check which is returned unpaid to the Airport because of insufficient funds, closed account, forgery, or any other reason.
- E. The rent, as stated herein, will be subject to periodic adjustments by the Airport, upon thirty (30) days advanced notice.
- F. Hangar units are individually sub-metered for electricity. The base rent for this unit includes \$5.00 per month of electrical usage, and the Lessee agrees to pay any charges over the base electrical fee. The Airport will periodically read the electrical sub-meters and include charges for electrical usage above the base in the following month's billing statement.
- G. All payments received by the Airport shall be credited to the oldest balance due, including rent, accrued finance charges, security deposit increases, and any other charges due the Airport under this Agreement.

Prohibited appliances include, but are not limited to, air conditioners, electric heaters, hot plates, heat lamps, and stoves. Any appliance not having an explosion-proof motor, which generates a glow, flame, or spark, must be elevated at least eighteen (18) inches above the floor. No appliances, except refrigerators, dehumidifiers, battery trickle chargers, and engine heaters may remain connected to any electrical receptacle when the Hangar is not occupied. UFC 8506.1
- B. Lessee shall not overload electrical circuits. The Airport will reset a "tripped" breaker one time, yet any instances thereafter will be assessed a \$30.00 charge which will appear on the tenant's next month billing statement.

9. INSURANCE –

- A. Lessee is encouraged to acquire applicable insurance, including Hangar Keepers insurance to protect personal property against theft, fire, or other damage, and general liability insurance for bodily injury, personal injury and property damage.

- B. Waiver of Subrogation. Unless such waiver would void the property insurance coverage to be provided pursuant to this section, the County and Lessee waive all subrogation rights each may have against the other, or any subtenant, for damages caused by fire or other perils to the extent covered by property insurance obtained pursuant to this section or other property insurance applicable to the Premises, except such rights as they have to proceeds of such insurance held by the County or the Lessee or both as fiduciary. This waiver of subrogation shall be effective to a person or entity even though that person or entity would otherwise have a duty of indemnification, contractual or otherwise, whether or not the person or entity paid the insurance premium directly or indirectly, and whether or not the person or entity has an insurable interest in the property damaged.
- C. Flying Clubs:
 -At execution of this Agreement, the Lessee, at its' own cost, shall have procured and will maintain for the duration of this Lease, insurance as specified in the Minimum Standards, Minimum Scope and Limits of Insurance.  -Each insurance policy shall be written on an "occurrence" form unless otherwise approved by the County.
 -By requiring such minimum insurance coverage, the County shall not be deemed or construed to have assessed the risks that may be applicable to the Lessee under this Lease. The Lessee shall assess its own risks and, if it deems appropriate and/or prudent, maintain greater limits and/or broader coverage.
 -Nothing contained within these insurance requirements shall be deemed to limit the scope, application and/or limits of the coverage afforded, which coverage will apply to each insured to the full extent provided by the terms and conditions of the policy(s). Nothing contained within this provision shall affect and/or alter the application of any other provision contained within this Lease.
- D. Minimum Scope and Limits of Insurance: Coverage shall be at least as broad as and with limits not less than the following:
1. General Liability: \$1,000,000 combined single limit per occurrence for bodily injury, personal injury and property damage, and for those policies with aggregate limits, a \$2,000,000 aggregate limit. CG 00 01 current edition.

The Additional Insured Endorsement shall be included with the certificate of insurance, CG 20 11 or its equivalent is required.
 2. The Lessee's insurance coverage shall apply separately to each insured against whom a claim is made and/or lawsuit is brought, except with respect to the limits of the insurer's liability.

 4. Coverage shall not be suspended, voided, canceled, reduced in coverage or in limits, until after thirty (30) calendar days' prior written notice to the County.
 5. Insurance coverage is to be placed with insurers with a Bests' rating of no less than A: VIII, or, if not rated with Bests', with minimum surpluses the equivalent of Bests' surplus size VIII.

- F. If during the term of the Agreement, higher limits of insurance than those mentioned shall be required by the then current version of Snohomish County Airport Rules and Regulations and Minimum Standards, then upon written request from the County, Lessee shall procure such insurance with higher limits.
- G. Waiver of Subrogation. Unless such waiver would void the property insurance coverage to be provided pursuant to this section, the County and Lessee waive all subrogation rights each may have against the other, or any subtenant, for damages caused by fire or other perils to the extent covered by property insurance obtained pursuant to this section or other property insurance applicable to the Premises, except such rights as they have to proceeds of such insurance held by the County or the Lessee or both as fiduciary. This waiver of subrogation shall be effective to a person or entity even though that person or entity would otherwise have a duty of indemnification, contractual or otherwise, whether or not the person or entity paid the insurance premium directly or indirectly, and whether or not the person or entity has an insurable interest in the property damaged.

- D. The indemnification, protection, defense and save harmless obligations contained herein shall survive the expiration, abandonment or termination of this Agreement.
- E. Adjustments of Claims: The Lessee shall provide for the prompt and efficient handling of all claims for bodily injury, property damage or theft arising out of the activities of the Lessee under this Agreement.

 - 2. Any such equipment, machinery, etc., which is not removed by the Lessee before the expiration, retaking of possession, or termination of this lease shall conclusively be deemed to have been abandoned and to have become the property of County and to dispose of as Lessor deems expedient in accordance with this Agreement.
 - 3. The County shall have a lien on such property for reasonable storage, and removal charges, and any other charges, including disposal, the County may have against the Lessee and shall have the right to sell any or all of such property and dispose of the proceeds as provided in RCW 60.60.
